PER DOCUMENT 2014-523725

Narrative

The purpose of this survey is to locate the corners of the East half of Lots 7 and 8, Block 27, Job's Addition and to monument the South line of the 5' strip dedicated to the public for street right-of-way. I held all found monuments in position and held the Southeast corner of Lot 5 as being 100.00 feet from the calculated Northeast corner of Block 27 and the line between the found 1" pipe at the Southwest corner of the subject tract and the Southeast corner of Lot 5.
