NARRATIVE
 This map represents the plan to partition the land described as "PARCEL BB" in instrument No. M-90169-87, per Benton County Planning Department File Number 2D-89-21. The boundaries and right-of-way lines shown hereon were developed from County Assessor's maps, Hardcopy Survey 11-6*5, and County Survey 4128. Data in parentheses is record from these sources. We got oriented to the two surveys by our field ties to the E 1/4, S 1/16 and C-S 1/16 corners of Section 15. We tied the existing barn in order to create the north line of Parcel B per the County set-back requirements. The boundaries of Parcel B were laid out according to our client's instructions so that the parcel would contain 80 acres.
