**NARRATIVE**

The original purpose of this survey was to adjust 1.00 acres of Parcel 5 over to the property to the Southeast. I located my control traverse and some monuments from my survey, Partition Plats No. 2005-03 and 2009-25 and oriented to them. Due to circumstances, the property transfer fell through and my client has requested I write a description for a 1.00 acre lease area as monumented and I am filing the survey to record the monuments.
