NARRATIVE

The purpose of this survey was to establish deed lines tied to the N&S. lines of the James L. Bounds DLC. No. 69, T.12S., R.6W. of the Willamette Base & Meridian and Check existing corners assumed to be in place. It should be noted that although Marian Pyle & Dan Hart agreed that only the line surveyed between their two places would be the final property line, after that line, (labeled "line of dispute" on the map), was marked, Dan Hart denied any such agreement was ever made.
